

Let the old year end and the New Year begin with the warmest of aspirations.

Wishing you a Happy New Year with the hope that you will have many blessings in the year to come.

Regards,
Teradata Customer Education Team

Announcing Virtual User Group (VUG) Live Sessions for 2024 Q1

We are thrilled to share with you the exciting news that we are all set to kick-off **Teradata Virtual User Groups (VUG)** program for Q1 2024 and it's packed with valuable insights and learning opportunities!

This initiative reflects our commitment to continuous learning and development for both our internal employees and our esteemed customers. We're excited to embark on this journey with you and look forward to an enriching quarter of learning and collaboration.

Key Highlights for Q1:

- **Business Intelligence:** Learn Best practices using Tableau & Power BI with Teradata Vantage.
- **ClearScape Analytics:** Explore in-database functions and learn about ClearScape Analytics capabilities & components.
- **Vantage Design & Administration:** Discover the differences, Moving from On-Prem or DIY Teradata Vantage to Teradata Vantage As a Service. Learn about DBQL & PDCR
- **Teradata 101 + Toolkit:** Learn TASM and SQL Optimization & Performance Monitoring Best Practice

All sessions will be recorded and made available on the **Teradata University Virtual User Group Workspace** shortly after the live events. Dont forget to explore our previous session recordings on the same workspace.
